

★★★★★
Attendees rated their overall experience at the CEMC Innovation Summit **4.93/5**

Panels and Discussions THAT WERE OF GREATEST INTEREST

In Future Events, I Would Like to Have More Time DEDICATED TO THESE TOPICS

What Our Attendees Liked the Most About INNOVATION SUMMIT

SPEAKERS AND CONTENT

- "Eclectic mix of speakers."
- "**Inspirational and thought provoking**, left almost all **dreaming big**, thinking of **changing our industry**."
- "Indirectly tied to Fintech speakers, far enough removed so that I could take what they were saying and apply it to my business and life specifically."
- "Very thought provoking, good range of topics. I liked the presentation of **big ideas** as well as some **practical applications**, felt the conference navigated that well."

COLLABORATIVE

- "The collaborative effort, feeling and information flow. No pretenses, no big ego, no protocol to abide by... Very user friendly and accommodating."
- "How **intimate** the gathering was. No vendor booths! The smaller number of attendees."

NETWORKING

- "Networking opportunities and developing contacts for follow up on **partnership opportunities after the event**."
- "I liked networking with others in the industry and related industries, hearing about the future of financing."

ATTENDEES

- "The attitude of the attendees, incredibly collaborative."
- "High caliber of speakers and attendees."
- "Professionals sincerely interested in leading innovation in their respective industries."
- "Great opportunity to **get into the mindset of the largest tech companies on the future of Fintech**."

INNOVATION

- "The emphasis on Innovation."
- "Overall Summit emphasis on **future technology and thinking ahead aggressively**."
- "Love the focus on the importance of mindset for innovation and the practical discussion of implications of advanced technologies on the industry. **Dare to dream** was a powerful theme, heard industry veterans dreaming wild new dreams for the first time in my industry."
